The Division of Local Government ("the Division") has developed technical assistance resources to assist taxing entities with the calculation of the property tax limit available online here (<https://dlg.colorado.gov/budget-information-and-resources>). Please understand that the Division has no statutory or administrative role in calculating or enforcing the property tax limit, and each taxing entity's revenue limits and voter approval history may be unique. The technical assistance resources provided by the Division with regard to the property tax limit are not definitive and not legal advice. Taxing entities may choose to calculate the property tax limit with a methodology that is different from the methodology presented in the Division's technical assistance resources. The Division always recommends that taxing entities consult with an attorney in order to understand and apply the various statutory and constitutional revenue limits that may apply to that taxing entity.

**2025 Audit Exemption Application**

# Application for Exemption From Audit Short Form

## Instructions

**If either revenues or expenditures exceed \$200,000, use the Long Form**

Under the Local Government Audit Law (Section 29-1-601, et seq., C.R.S.) any local government may apply for an exemption from audit if neither revenues nor expenditures exceed \$1,000,000 in the year.

**Exemptions from audit are NOT automatic**

To qualify for exemption from audit, a local government must complete an Application for Exemption from Audit **each year** and submit it to the Office of the State Auditor (OSA). Approval for an exemption from audit is granted only upon the review by the OSA.

Any preparer of an Application for Exemption from Audit — Short Form must be a person skilled in governmental accounting.

**Read ALL instructions before completing and submitting this form**

All applications must be filed with the OSA **within 3 months** after the accounting year-end.

For example, applications must be received by the OSA on or before March 31 for governments with a December 31 year-end. Applications for exemption from audit are not eligible for an extension of time.

Governmental activity should be reported on the modified accrual basis. Proprietary activity should be reported on a cash or budgetary basis.

### **Important!**

All Applications for Exemption from Audit are subject to review and approval by the Office of the State Auditor.

Governmental Activity should be reported on the **Modified Accrual Basis**.

Proprietary Activity should be reported on a **Budgetary Basis**.

Failure to file an application or denial of the request could cause the local government to lose its exemption from audit for that year and the ensuing year. In that event, an audit shall be required.

**Postmark dates will not be accepted as proof of submission on or before the statutory deadline**

Prior year forms are obsolete and will not be accepted.

Applications must be fully and accurately completed. Applications submitted on forms other than those prescribed by the OSA will not be accepted.

For your reference, the Colorado Revised Statutes are available through the [LexisNexis Colorado portal](#).
